Subject: Mortran software

Dear Mr. Dumas,

Following the information you have provided us with, concerning your use of the CERN-owned 'Mortran' software (the "Software"), we hereby grant you a license to use the Software under the following conditions:

- The Software shall be licensed by you under Open-Source license conditions identical to those used for your mini_ker software;
- Such licensing explicitly excludes all liability of the copyright holders¹;
- CERN shall at all times be mentioned as the copyright holder of the Software (in the Software source code and sites where the Software is referred to or accessible);
- Should you wish to license the Mortran under different license conditions, you shall obtain CERN's prior written permission, which CERN shall not unreasonably withhold;
- If you breach any of the above conditions, CERN reserves the right to terminate this license;
- CERN reserves the right to terminate this license in the event that any information you provided to us was incorrect;

Very truly yours
CERN, Technology Transfer

Jean-Marie Le Goff
Group Leader

¹ CERN and contributors shall have no liability to licensee or other persons for direct, indirect, special, incidental, consequential, exemplary, or punitive damages of any character including, without limitation, procurement of substitute goods or services, loss of use, data or profits, or business interruption, however caused and on any theory of contract, warranty, tort (including negligence), product liability or otherwise, arising in any way out of the use of this Software, even if advised of the possibility of such damages.
